Drs. Karen Marzlin and Cynthia Webner are known for their cardiovascular expertise, passion for excellence, and engaging teaching style. Teaching nationally for over 15 years, Karen and Cindy, have presented more than 1,200 programs in the past 10 years. Both have presented annually, since 2005, at the American Association of Critical Care Nurses National Teaching Institute (NTI). They are again presenting at NTI in May of 2019.

They have a combined 71 years of nursing experience including point of care nursing and advanced practice. Their specialized experiences include inpatient cardiovascular and critical care, post cardiac arrest care, advanced heart failure, nephrology, and diabetes management. In addition to their clinical practice they are adjunct faculty for the Acute Care Nurse Practitioner Program at Malone University in Canton, Ohio.

Karen and Cindy own two businesses producing educational classes and products to help nurses in every role excel. They combine humor, energy, and creative teaching strategies to make every course a memorable learning experience.

**Join us in a learning journey
that makes a difference!**

Cardiac Intensive

**THIS CONFERENCE IS LIKE NO
OTHER CARDIAC CONFERENCE!**

You make a difference with every patient and every encounter. We want to help you be the best you can be.

Please join us we take a deep dive into the nuances of cardiovascular disorders - giving new insights into common conditions and situations that may not be so common and creating awareness for problems often overlooked.

You will be challenged and inspired.

You will look forward to returning to your workplace and implementing new skills and concepts you have learned into your practice.

We will equip you with knowledge and skills that will differentiate **your** practice in specific ways.

We will challenge you and inspire you to take ownership of the clinical outcomes of your practice.

You will leave confident and committed!

**EXCELLENCE - EVERY NURSE,
EVERY DAY, EVERY PATIENT
ENCOUNTER**
