## Presenters

**Karen Marzlin DNP,**  
CCNS, ACNPC-AG,  
CCRN-CMC, CHFN  
**Cynthia Webner DNP,**  
CCNS, ACNPC-AG,  
CCRN-CMC, CHFN

Drs. Karen Marzlin and Cynthia Webner are known for their cardiovascular expertise, passion for excellence, and engaging teaching style. Teaching nationally for over 15 years, Karen and Cindy, have presented more than 1,200 programs in the past 10 years. Both have presented annually, since 2005, at the American Association of Critical Care Nurses National Teaching Institute (NTI). They are again presenting at NTI in May of 2020.

They have a combined 71 years of nursing experience including point of care nursing and advanced practice. Their specialized experiences include inpatient cardiovascular and critical care, post cardiac arrest care, complex heart failure, nephrology, and diabetes management. In addition to their clinical practice they are faculty and program coordinators for the Acute Care Nurse Practitioner Program at Malone University in Canton, Ohio.

Karen and Cindy own two businesses producing educational classes and products to help nurses in every role excel. They combine humor, energy, and creative teaching strategies to make every course a memorable learning experience.

**Join us in a learning journey  
that makes a difference!**

# Everything Heart Failure

## WHO SHOULD ATTEND?

Nurses who want to prepare for heart failure certification. This course will serve as a great CHFN preparation course.

Nurses and APRNs who want to develop expertise in heart failure care and differentiate their practice.

CHFV nurses who need heart failure specific education to renew your CHFV Certification.

CNSs, educators, heart failure coordinators, and nurse administrators who want a framework for comprehensive heart failure education to take back to their organizations.

Any clinician or organizational leader who wants to bring excellence in heart failure care to his or her practice setting.

**Karen and Cindy have a passion for patients with heart failure and will help you leave confident and committed!**

*EXCELLENCE - EVERY NURSE,  
EVERY DAY, EVERY PATIENT  
ENCOUNTER*

**KEY CHOICE / CNEA**  
CNEA IS AN PROVIDER APPROVED BY THE CALIFORNIA  
BOARD OF REGISTERED NURSING PROVIDER NUMBER  
15714

Key Choice

Uniontown, Ohio  
44685

## Day 1 November 9th, 2021

### Course Objectives

- Discuss the pathophysiology of heart failure and how the body's compensatory mechanisms contribute to progression of heart failure.  
*Including RV physiology and ventricular interdependence*
- Contrast pathophysiology for heart failure with reduced ejection fraction to heart failure with preserved ejection fraction.  
*Including neurohormonal activation in HFrEF and insights and practice pearls in the care of HFpEF*
- Describe the NYHA classification system and the ACC/AHA stages of heart failure.  
*Including implications for HTN and diabetes medications and heart failure outcomes*
- Recognize heart failure through physical assessment and diagnostic test results.  
*Including physical exam, labs, noninvasive, and invasive diagnostics*
- Synthesize knowledge required for pharmacological management of all stages of heart failure based on current evidence-based guidelines including prescriber specific considerations.  
*Including titration strategies and geriatric considerations*
- Evaluate nonpharmacological management of all stages of heart failure based on current evidence-based guidelines.  
*Including practical use of device data*
- Apply pathophysiological and assessment principles impacting the assessment and care of the heart failure patient.  
*Including application to a complex heart failure case study.*

## Day 2 November 10th, 2021

### Course Objectives

- Differentiate the 3 primary presentations of acute decompensated heart failure.  
*Including utilization of left ventricular function curves*
- Outline treatment strategies for acute decompensated heart failure including prescriber specific considerations.  
*Including vasoactive medications and temporary assist devices*
- Compare treatment options in the patient with Stage D Heart Failure.  
*Including advanced HF therapies, palliative care, and Hospice*
- Review patient education and self-care management strategies for heart failure patients.  
*Including practical tactics for patient engagement and insights from a patient perspective*
- Consider implementation strategies to improve the coordination of the delivery of comprehensive heart failure care.  
*Including specific ideas to address commonly unappreciated reasons for rehospitalization*
- Describe different valvular disorders associated with heart failure. Including most current treatments for aortic stenosis and mitral valve regurgitation
- Recognize the impact of comorbid conditions on the development and continued impact of heart failure.  
*Including anemia, sleep disordered breathing, atrial fibrillation and renal disease*

## Registration \* Special offer

Register by September 15th and receive a \$50.00 gift certificate to use in on our online learning center.

	Register for 1 Day	Register for 2 Days
<b>General Registration</b>	\$165.00	\$280.00
<b>Discounted Tuition:</b> 2 options <b>Early Bird:</b> Payments must be received by October 13th <b>Group Registrations:</b> 3 to 10 persons registering at the same time (Call or email us for discount price for groups > 10 persons) <b>Active Military:</b> ID required at check in <b>RN/APRN students / Nursing Faculty:</b> Verification required at check in	\$145.00 (each registrant)	\$250.00 (each registrant)

### REGISTRATION INCLUDES:

- 7 hours of dynamic education each day
- 7 hours of nursing CEs per day provided
- 2 hours Pharm CE Day 1; 1 hour Pharm CE Day 2
- Electronic handout (downloadable and printable) emailed to you 1 week prior to the seminar. **PLEASE NOTE:** In an effort to "go green" printed will not be provided.
- Light breakfast provided
- Lunch will be on your own

### REGISTER ON-LINE AT:

[www.cardionursing.com](http://www.cardionursing.com)  
Click on the Live Classes Tab on the home page.

### REGISTER BY MAIL:

Make checks payable and send to:  
Key Choice  
4565 Venus Road  
Uniontown, Ohio 44685

Please include the following information:

Name  
Address  
Phone Number  
Email

Indicate attendance at:  
Day 1, Day 2 or both days.

On-Line registration closes at 5 pm the day before the program. Mailed registrations must be received one week prior to program.

Walk-In Registrations: Accepted if space is available. A \$10.00 walk-in registration fee will be added. Handouts will be emailed upon registration.
