

CCRN Nursing Certification Review

We welcome: Nurses preparing to sit for the Critical Care Nursing certification exam.

Course Description: The purpose of this activity is to enable participants to increase their knowledge and preparation for the successful passage of the CCRN certification examination.

Program Objectives:

- Apply the physiological-based knowledge required for sound clinical judgment in cardiovascular disorders, endocrine disorders, gastrointestinal disorders, hematologic disorders, neurologic disorders, pulmonary disorders, renal and electrolyte disorders, and patients with shock states or sepsis
- Identify key aspects of care in patients with multisystem disorders in acute and critical care
- Describe key aspects of holistic care supporting behavioral and psychosocial issues in acute and critically ill patients
- Describe the nurse characteristics of the Synergy Model as they relate to professional caring and ethical practice for patients and families

Date/Time/Location: Thursday, September 7, 2023, 7:00am-4:30pm, Friday, September 8, 2023, 7:15am-5:00pm, Methodist Estabrook Cancer Center Auditorium, 8303 Dodge Street, Omaha, NE 68114

Cost: The cost includes the course, meals, a \$40 non-refundable booklet and program deposit for all registrants. Value: \$670.00

Cost:

- \$150 for general registrants
- \$40 for Methodist employees, Methodist retirees, NMC alumni, and NMC students (no CE for students)

Please note:

- Cancellations and replacements can be made up to one week prior to the program.
- No refunds will be given after August 30, 2023.

Speakers

Karen Marzlin DNP, RN, AG-ACNPC, CCNS, CCRN-CMC, CHFNP, Partner at Key Choice and CNEA
Cynthia Webner DNP, RN, AG-ACNPC, CCNS, CCRN-CMC, CHFNP, Partner at Key Choice and CNEA

Both Karen and Cindy have a passion for excellence in clinical practice. With a combined 79 years of nursing experience in acute and critical care nurses at the point of care, unit managers, hospital administrators, and NP faculty, they have managed hospitalized patients as APRNs for cardiology, endocrinology, and nephrology. Karen and Cindy have been teaching across the country helping nurses develop expertise, gain confidence in their practice, and earn the recognition they deserve for being an expert in practice. This CCRN review course will be two FULL days designed to help you review examination content or just enhance your knowledge. Included, will be tips on examination preparation and test taking strategies. Karen and Cindy's presentations are energetic and engaging as they share their passion for exceptional nursing practice.
